RE: 2024 Publicly Owned Housing Program (POHP) Request for Proposals
Riverview Heights, D6387

Dear Dawn Bacon,

Thank you for submitting an application to Minnesota Housing's Publicly Owned Housing Program (POHP). In response to the recent Request for Proposals (RFP), Minnesota Housing received requests in excess of \$92 million. The 2023 Minnesota Legislature authorized \$41 million in General Obligation (GO) bond proceeds for POHP. The application that you submitted was one of 42 reviewed, but unfortunately, it was not selected for further processing.

We anticipate an additional RFP round of POHP funding will be announced this coming winter. Announcements will be posted on [Minnesota Housing's website](#) and sent out via [Multifamily Housing eNews](#).

Staff is available to discuss the RFP process and provide feedback on your submitted application. If you would like to schedule a debrief meeting, please contact Janine Langsjoen, POHP Program Manager, at 651.296.6354 or janine.langsjoen@state.mn.us.

Again, thank you for your interest in POHP. We look forward to the possibility of partnering with you in upcoming years.

Sincerely,

A blue ink signature of James Lehnhoff, written in a cursive style with a long horizontal flourish extending to the right.

James Lehnhoff

Assistant Commissioner, Multifamily
